# Adoração

---

---

---

---

---

---

---

---

*1 Oração de Moisés, homem de Deus. Senhor, tu és o nosso refúgio, sempre, de geração em geração. 2 Antes de nascerem os montes e de criares a terra e o mundo, de eternidade a eternidade tu és Deus.*

---

---

---

---

---

---

---

---

*3 Fazes os homens voltarem ao pó, dizendo: "Retornem ao pó, seres humanos!" 4 De fato, mil anos para ti são como o dia de ontem que passou, como as horas da noite.*

---

---

---

---

---

---

---

---

*5 Como uma correnteza, tu arrastas os homens; são breves como o sono; são como a relva que brota ao amanhecer; 5 germina e brota pela manhã, mas, à tarde, murcha e seca.*

## Reconhecimento dos nossos limites

ⓑ  
Olhar para 2010 com as expectativas corretas...

---

---

---

---

---

---

---

**1ª Expectativa**  
**Aprender a contar para**  
**alcançar a sabedoria**

---

---

---

---

---

---

---

---

*7 Somos consumidos pela tua ira e  
aterrorizados pelo teu furor. 8  
Conheces as nossas iniquidades;  
não escapam os nossos pecados  
secretos à luz da tua presença. 9  
Todos os nossos dias passam  
debaixo do teu furor; vão-se como  
um murmúrio.*

---

---

---

---

---

---

---

---

*10 Os anos de nossa vida chegam a  
setenta, ou a oitenta para os que têm  
mais vigor; entretanto, são anos  
difíceis e cheios de sofrimento, pois a  
vida passa depressa, e nós voamos!  
11 Quem conhece o poder da tua ira?  
Pois o teu furor é tão grande como o  
temor que te é devido.*

dos teus servos!*

---

---

---

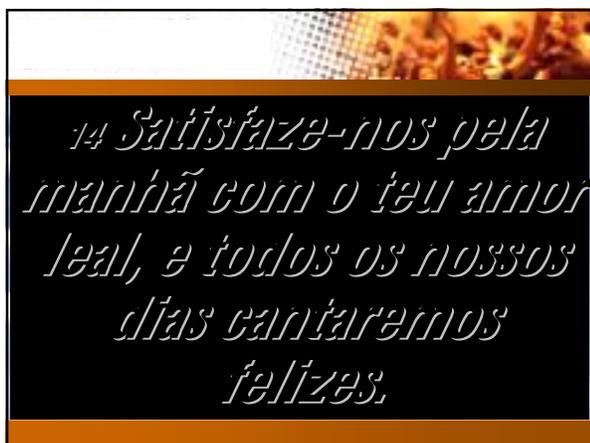

---

---

---

---

---

*14 Satisfaze-nos pela  
manhã com o teu amor  
leal, e todos os nossos  
dias cantaremos  
felizes.*
